

VIKING LINE

Agreement for maintaining safety and lawful order on board

Dear group leader of school and youth groups,

Viking Line aims for all our passengers to enjoy their stay on board and our staff will always work towards ensuring a safe environment.

We kindly ask you to inform your group about the regulations below and to ensure that they are followed:

1. A group participant who has consumed alcohol or has brought alcohol in their luggage will be rejected at the port of departure or at any other port during the trip.
2. The ships are governed under the legislation of Finland. A person under the age of 18 is not allowed to buy or possess alcoholic beverages on board. If any minor has alcohol in his/her possession, the ship's crew is entitled to confiscate the alcohol. Spirits (containing more than 22% alcohol) may only be purchased by people aged 20 or over.
3. The security staff has the right to detain passengers under the age of 18 who are under the influence of alcohol or who have caused disorder on board.
4. Your fellow passengers have the right to a quiet and restful environment in the cabin area. People who disturb other passengers in the cabins or in the cabin corridors may be removed from the cabin area by the security staff and may lose the right to use their cabin.
5. Any intentionally caused damage to property on board must be compensated for. If compensation is not paid on board, the ship will file a police report. The group leaders will be required to act as contact persons during the investigation of the claim.
6. Shoplifting and theft will always be reported to the police and to the guardian of the minor.
7. In traffic between Finland and Estonia, all passengers are required to be able to prove their identity with a valid ID document upon request. In traffic between Finland and Sweden, we recommend that everyone, especially those under the age of 18, carries an identity document, though this is not a requirement when a designated responsible group leader is travelling with the group.
8. Group leaders are required to travel in the same cabin category as the rest of the group.
9. There may be a maximum of nine young people per group leader. The group leaders must familiarise themselves with this agreement before the group boards the ship and, by signing it, undertake to supervise compliance with these regulations.
10. The signed agreement must be submitted to the ship's Reception Desk immediately upon the group's arrival on board.

We believe that through mutual cooperation both youth groups and fellow passengers will enjoy the voyage.

Viking Line wishes you a pleasant trip!
